### Notes/Narratives

#### NARRATIVE

On 5-3-2010, at approximately 1605 hours, Officer Sweet made contact with a subject, later identified as Jason (JT) Ready in the Gilbert Police Department Lobby. Officer Sweet told me Jason had a flyer he wanted to give to a Supervisor. The flyer was an advertisement for what Jason called "Report an Illegal Day", referring to May 5th of 2010. I met Jason in the Gilbert Police Department Lobby. Jason told me that his group, the Arizona National Socialist Movement, was organizing for May 5th, 2010, to report as many illegal immigrants as possible to the Police. He was under the impression that the Police would respond and "Round Up" the illegal subjects.

I advised him that the new Arizona Immigration Law was not yet taken effect, and would not be in effect on May 5th, 2010. I told him that the Police will only contact subjects using reasonable suspicion that they committed an offense and we would only arrest and take action in regards to illegal immigration if the Police had Probable Cause to believe that subject committed a criminal offense. I explained what reasonable suspicion and probable cause are. I further told him that when the Immigration law takes effect, the Police Department would take action according to our Policies and under the framework of the Law.

Jason was surprised that the Police Department would not respond and arrest subjects, whom he advised, were committing felony offenses (Crossing the Border). Jason conceded and told me he would pass on this "Valuable" information to his group's organizers.

Jason also advised that he would be handing out flyers to anyone who wanted one. He said his group will organize and hand those flyers out peacefully and would not force the flyer upon anyone who did not want it. Jason said there is a "Press Conference" in regards to his movement going on sometime on 5-3-2010. He said the group did not plan any public meetings or rallies at this time.

Nothing Further from this Officer.

Case Cleared - Non Crime Resolved.
